

SRG

2.0 Series

SportResourceGroup

Introducing...

Sport Resource Group 2.0 Outdoor Series Dashboards – the toughest dashboards on the market. SRG's 2.0 Outdoor Series combines the toughness of steel and aluminum components with the durability and longevity of fiberglass facing.

Advantages

- Ultra-tough fiberglass facing and kickplate for maximum durability
- Welded aluminum or steel frames powder-coated to customer's color preference
- UV-stabilized 3/4" thick caprail
- Galvanized steel support posts
- Vinyl-coated chainlink fencing available in 36", 48", 60" and 72" heights
- Increase facing to 3/8" thick fiberglass for ice hockey
- Stainless steel gate hardware
- Available in 42" or 48" height
- Players, Penalty and Timers Boxes can be made of the same construction or using chainlink fencing
- Chainlink fence framing is curved in the corners to give the full system a professional, consistent look
- Optional upgrade includes strengthening to pass South Florida High Velocity Wind Zone code (140+ mph sustained wind loads)
