

SRG

5.0 Series

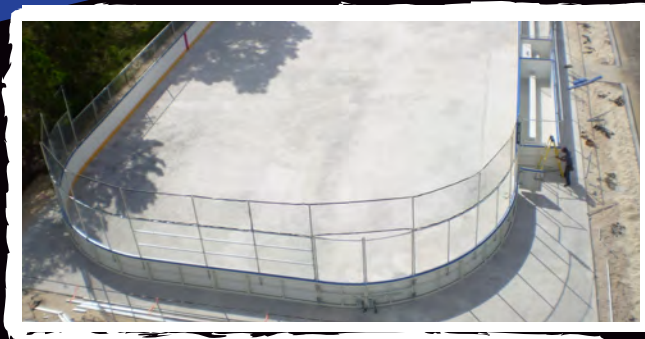

SportResourceGroup

Introducing...

Sport Resource Group 5.0 Outdoor Series Dashboards – the most professional outdoor dashboards on the market. SRG's 5.0 Outdoor Series is the answer if you are looking for a dashboard system that can handle your in-line hockey or soccer game and switch over to ice hockey in the winter while still offering the aesthetics of a professional rink.

Advantages

- Ultra-tough UV-stabilized fiberglass facing and kickplate for maximum durability
- Welded 5" aluminum frame powder-coated to customer's color preference
- UV-stabilized 3/4" thick caprail
- Vinyl-coated chainlink fencing available in 36", 48", 60" and 72" heights
- Increase facing and kickplate thickness to 3/8" for ice hockey
- Stainless steel gate hardware
- Available in 42" or 48" height
- Players, Penalty and Timers Boxes can be made of the same construction or using chainlink fencing
- Chainlink fence framing is curved in the corners to give the full system a professional, consistent look
- Optional upper containment upgrade includes tempered glass
- Optional framing upgrade includes increased strengthening to withstand 123+ mph wind loads
