Ice Hockey

Introducing...

Sport Resource Group Ice Hockey Dasherboards – combining quality and value every step of the way. SRG's Ice Hockey Dasherboards were developed with the needs of the owner/operator, spectator and player in mind. Our Ice Hockey series was designed for users looking for the highest possible quality at an affordable price. Choose from powder-coated aluminum or galvanized steel frames along with tempered glass or acrylic upper containment.

Advantages

- Choose from welded aluminum frames powder-coated to customer's color preference or galvanized steel frames
- 5" or 6" wide frames
- Insulated steel ice dam available for multi-purpose and changeover venues
- Quick-Release supports result in faster change-over times
- Optional "Quick Conversion" construction eliminates the need for backer panel
- High Density Polyethylene (HDPE) facing, kickplate and caprail
- Upper containment choices include tempered glass or acrylic and available in 36" up to 72" heights and 1/2" or 5/8" thickness
- Seamless glass or "MaxView" optimized acrylic option for optimal spectator view
- Players, Penalty and Timers Boxes, elevated floors, coaches walkways available
- Lexan ad panels give owner/operator additional revenue stream
- Additional options include protective netting, backer panels and more
