Indoor

Introducing...

Sport Resource Group Indoor Series Dasherboards – combining quality and value every step of the way. SRG's Indoor Series Dasherboards were developed with the needs of the owner/operator, spectator and player in mind. Our Indoor Series allows for indoor soccer, inline hockey, indoor football and other sports to be programmed in your building with little changeover required.

Advantages

- Welded 5" aluminum frame powder-coated to customer's color preference
- High Density Polyethylene (HDPE) facing, kickplate and caprail
- Upper containment choices include tempered glass or acrylic and available in 36", 48", 60" and 72" heights
- Seamless glass option for optimal spectator view
- Zero-threshold gates allow for ADA access
- Zinc-plated steel gate hardware
- Available in 12" or 24" height for more sightlines or 42" or 48" regulation height
- Soccer goals can be built right into the frames
- Players, Penalty and Timers Boxes available
- Lexan ad panels give owner/operator additional revenue stream
- Additional options include protective netting, backer panels and more
