# ProWall® - Gaga

## Introducing...

**ProWall® - Gaga Pits** – use Sport Resource Group's patented ProWall Panels to add action to your camp, school or recreation center. A staff of just two people can snap together a ProWall Gaga pit in less than five minutes, but the fun lasts for hours, days and months. Set up as temporary or permanent and change shapes and sizes as often as you want!

## Advantages

- Set up an official-size 26 ft x 26 ft pit in less than five minutes
- Order natural color panels or custom colors for a cool look
- Molded one-piece corners mean no gaps for fingers to get caught
- ProWall's famous "no-tool" connection mechanism
- ProWall is made of a durable, rotationally-molded plastic which is light enough for staff to set up and durable enough for year-round outdoor use
- Adjustable left- and right-swing gates
- All panels are interchangeable which means the only limit to shapes and sizes is your imagination
- All panels 42" high x 8" deep
- Manageable 8" stepover for gate thresholds
- Stacking features on 8 ft Straight Panels for safe storage and transport
- One full pit stores on a 42" x 96" pallet (included with order)
- One full pit is less than \$5,000.00
- The #1 choice of recreation professionals
- Backed by over 15 years of experience in the industry

Hastings Middle School (Upper Arlington, OH)

*"School just recently reopened and the kids are loving the gaga pit. The recess area is funny because 80% of the students are circled around the gaga pit while many of the other fields are open. It was easy to purchase the gaga pit and I would definitely recommend it to other schools."*
